Reports that as the Sanad relied upon by the petr. for enhanced grant from Govt has not been referred to at the time of the Inam Settlement in 1878, it does not seem possible to go back behind the Settlement especially after the lapse of so many years.

The D.C's letter explains the facts of the case fully. Submits for orders. It is requested, 9 The Govt may be asked

to state whether reference is made to the Maratha Sanad relied upon by the petr.

10 We cannot at this distance of time go behind the main Settlement which is now only guided in such matters. The Comr of the Dist. Comr may be reminded & the Comr asked to send a copy of the Sanad to be sent in accordance with his opinion contd in para 4 of his letter. 11 This course, suggested by the D.C., seems to be the proper one, at this distance of time.

14) The Shaka Amal or the Diary of orders issued day to day by the late Hr Highness Shree Krishnaraja Wadeyar, Bahadur III, of the 25th September 1814 was looked into, and entries of two Firmans in Mahrathi are found therein. One is addressed to the late Huzur Khazana Bakshi Sri Siddaraj Urs regarding the continuance of 200 Varahas a year for the upkeep and Urse expenses of the Saint Masud Ganje Darga near Thonnur in Attikuppa Taluk and the payment of the same from the year Bhava or 1814 to one Bangalore Nabi Shaha who is declared to be the proper Hakdar by the late Adawlat Court and the other is addressed to one Sri Murari Rao, Amildar of Attikuppa Taluk on the same subject with further instructions as to the management &c of the said Darga.

Kannada translation of these two Firmans, is herewith put up.

was in receipt of 150 and 200 Varahas a year, respectively. As per orders of the Huzur and according to the general retrenchments effected, the grant of 200 Varahas was reduced to 100 Varahas from 1st April 1819. Again in the retrenchments of 1831, this grant was reduced to 60 Varahas a year of 10 months, from 1st July 1831 and from the year 1833-34, this sum was further reduced to 59 Varahas 8 Fanams and 2 Vasa or Rs 174 a year of 12 months at the rate of Rs 14-8-0 per measem.

From the Tirpalattur accounts of Attikuppa taluk for the years 1831-32 to 1861, it is further corroborated that this grant of 14-8-0 a month, was being continued up to the year 1861.

To B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department.

Sir,

With reference to your C.M.No.1457/Muz.253-24-2 dated 6th April 1925 forwarding for report petition from Syed Gulam Ali Shuttari Sajjada of Thonnur Makhan Dervish Manzil, Mandimohalla, Mysore praying for some grant to the Makhan at the place in accordance with the sannad granted by His Highness the Maharaja in 1014, I have the honor to submit herewith copy of the Mysore District Deputy Commissioner's letter No.C.735 of 24-25 dated 21-9-25 stating that the Sub Division Officer who was asked to enquire into the matter reports after enquiring the petitioner, that apart from a certified copy of the sannad in Marati in the possession of the petitioner he has no other documents with him and that he does not explain why the terms of the sannad are not in force all these years.

2. An English translation of the sannad produced by the petitione is in the enclosed records. It speaks of an annual grant of 200 -- hoons for the up keep of the Darga. On a reference made to the Inam Superintendent it is ascertained that the institution enjoys a cash grant of Rs.174/- per annum and that there is no reference - in the Inam records to show that the sannad in question was presented at the time of the Inam Settlement. Column 6 of the enclosed extract of the Inam register shows how the sum of Rs.174/- was fixed. The Deputy Commissioner states in his letter of 1-3-1926 that the ---- Marathi records containing the sannad are being sent to the ------- General and Revenue Secretariat records and that there is no -----

no Marathi knowing official in his office to enable him his opinion after going through the original.

3. The truth of the petitioner's allegation has to be ascertained from a perusal of the original Marathi records and I request that this may be kindly caused to be done in the General and Revenue Secretariat records.

4 From the fact that the sannad has not been referred to at the time of the Inam Settlement in 1878 it does not seem possible to go back now behind the Settlement especially after the lapse of so may years.

5 The records received with the Deputy Commissioner's letter under reference are herein enclosed for kind reference.

I have the honor to be,

Sir,

Your most obedient servant,

"With reference to your letter No.C.1196 of 24-25 dated 11/13th -- April 1925, forwarding for report a memorial from Syed Gulamali Shattari Sajjada of Thonnur Makkan, Dervish Manzil, Mandy Mohalla, Mysore praying for some grant to the Makan in accordance with the Sannad given to His Highness the Maharaja in 1814, I have the honor to state that the Sub Division officer, French Rocks, who was directed to hold an enquiry and report, now states that the petitioner produced a certified copy of the Sannad which is in Marathi script obtained from the District Office; that the sannad speaks of a grant of 200" hoons" per annum for the up keep of the Darga at Thonnur and that the petitioner is not in possession of any other documents evidencing the payment of the grant from the State Revenue in accordance with the terms of the sannad.

The institution is at present receiving a monthly grant of Rs.14-8-0 from Government. The petitioner says that the grant now made is too small and does not cover the actual expenses he has to incur and prays

that he may be granted a sum of Rs.750/- per annum.

In these circumstances, I have the honor to request that a ref may be made to the Inam Superintendent as to whether the sannad presented at the time of the Inam Settlement and admitted.

To

His Highness the Maharaja of Mysore,
Revenue Department.

Sir,

With reference to your letter No.1396/Muz.253-24-4 dated 1st May 1926 forwarding a copy of the translation of the Sanad in re the cash grant of 200 hoons to the Darga at Thonnur in the Seringapatam Taluk and requesting for my further remarks in the matter I have the honor to state that on a reference to the ---- translation received it is seen that the Salar Masud Sahi Darga near Thonnur was granted an annual stipend of 200 Kanthirayi --- Varahas for Urus in the Darga and its remains. The Sanad was not produced at the time of the Inam Settlement. The circumstances under which a cash grant of Rs.14-8-0 per mensem was fixed are -- detailed in Col.6 of the copy of Ready Money Inam Register received from the Inam Superintendent and which is herein enclosed.

By the year 1831 the grant had been reduced to 100 pagodas as per former Takeed. During the year, it was reduced by 40 ------ leaving a grant of 60 Pagodas. In the Inam Settlement of 1873 the grant was fixed at Rs.174 per annum or Rs.14-6-0 a month. I am of opinion that it is not possible now to restore the grant of 1831 which was substantially reduced to 60 pagodas in 1831. Neither is it possible to increase it since an increase in one case on --- account of inadequacy of existing grant, will create an inconvenient precedent.

The vernacular records are herewith re submitted for reference.

I have the honor to be,

Sir,
